

IBLA# 2008-233
Nevada Wild Horse Range
Wild Horse Removals/Petition for Relief

August 20, 2008

RE: Correction of Errors in Appeal Submission Dated August 19, 2008

Dear Honorable Judges of the Interior Board of Land of Appeals:

Today, I sent you my full appeal of IBLA #2008-233 regarding my Petition for Relief and Improper Procedures for Wild Horse Removals/Euthanasia's by the BLM Las Vegas Field Office for the Nevada Wild Horse Range.

After mailing and upon review, I realized to my extreme dismay, that I had failed to list one of the Exhibits on the List of Electronic Exhibits Sheet included at the back of the Appeal, specifically Exhibit XI. Upon thorough inspection, I found a total of three Exhibits missing from the Electronic Exhibits format in the included CD.

As a result, I am resubmitting my Appeal with a new CD with all Exhibits now included in electronic format as well as the following corrections:

1. Changed the date of submission from August 19, 2008 to August 20, 2008.
2. Added the full title of Exhibit XI that was missing from the Electronic Exhibits Sheet.
3. Added page numbers to the Electronic Exhibits Sheet.
4. The date of Director Wenker's "point of contact letter" was listed in error as February 12, 2007. It has been corrected in the Electronic Exhibits Sheet to February 13, 2007.
5. Added the following relevant paragraph on page 3:
"Additionally, BLM stated the wild horse population was approximately 1,400 wild horses pre-gather and projected to remove 1,100. However, the Nevada Wild Horse Range Post-Gather Report states that approximately 250-300 wild horses are still estimated on the range. The 946 reported as removed plus the remaining 250-300 wild horses only accounts for 1,196-1,246 animals, a difference of approximately another 154-204 wild horses. Over all, approximately 250-300 wild horses are currently unaccounted for."

6. Added original submission of Petition for Relief dated July 23, 2008, the Full Appeal and a copy of this letter in electronic format, something that completely escaped my attention.
7. Resigned and dated this corrected version with copies to the Regional Solicitor.

Please discard yesterday's submission of both the hard copy and CD and replace with this corrected version.

Also please accept my sincerest and deepest apologies for these errors.

Sincerely,

Cindy MacDonald
